MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

Subject: Intelligence Priorities

1. (U) Reference your memorandum, subject as above, 1 May 1978, which requested concurrence to issue the proposed lists as PRC(I) guidance to the intelligence community.
2. (S) I have reviewed the proposed list and identified one major disagreement with the latest topics in the Basic Long-Term Interest list: the omission of "military" from the Long-Term List for "Advanced Countries (Foreign and military policy issues)." The broader context of "foreign policy issues" does not adequately encompass the requirements for information on military issues.
3. (U) The prioritization of the topics also deserves additional comment. Details have been passed to the Office of the Secretary of Defense for a consolidated Department of Defense response.
